The After-School Program seeks to ensure a safe and enriching learning environment. We will notify parents if their child comes late to class or disrupts the class environment. It is also important that children are picked up promptly. I understand that if I receive three (3) notices regarding my late pick-up, my child's tardiness or my child's disruptive behavior, my child will be unable to continue with the program. There will be no refund for the class. I understand parents are invited to observe the class at any time. I hereby grant permission for my child to participate in the After-School Mandarin Language Program at Carden Day School.
