

# Teachers' Appreciation Luncheons 2011/2012

Please help us say Thank You to our hard working teachers and support these Luncheons by contributing food and/or volunteering your time. The lunch serves 25-30 of both the Upper and Lower campus teachers. We also need monitors for yard duty at each lunch, so the teachers can enjoy their meal. This year we will be using a website to organize the events. Here is how it works:

1. Go to <http://www.perfectpotluck.com>
2. Find the meal you want to sign up for by searching for the coordinator:

**Rothenberg for Lower Campus dates or Subra for Upper Campus dates**

3. The password is: **CardenDay**
4. After you find the meal, **you will see the items we requested for lunch and slots for yard duty.**

The website is very secure, so the coordinators will be the only ones who have access to the participants e-mail addresses. Participants can see what other people are bringing, so we can avoid duplication of items. The website does not store personal information, so it is secure.

If you do not wish to sign up via the website, feel free to provide us with your information below and submit this form back to the office with your email address and contact information. Please contact Heather Rothenberg ([hrothenberg@gmail.com](mailto:hrothenberg@gmail.com)) for the Lower Campus or Mrs. Subramanian ([srathika@yahoo.com](mailto:srathika@yahoo.com)) at the Upper Campus.
